

Ryan Pereira: Principal Commercial Manager - Global Gas and LNG

ryan.pereira@gaffney-cline.com

Ryan Pereira is principal commercial manager in the Global Gas & LNG group at Gaffney Cline & Associates. Based in London, Ryan has extensive international experience and cultural awareness having completed assignments globally in over 20 countries across the downstream, chemicals, midstream and LNG, and upstream sectors. He holds a degree in Economics and qualifications in Management Accounting, Corporate Finance and Treasury, and Project Management.

Ryan has over 14 years of energy sector experience with majors (ExxonMobil) and operators (Centrica Energy), as well as working with joint venture parties and national oil and gas companies.

Since joining GCA in 2014, Ryan has led projects covering LNG import and exports, gas to power, M&A, gas disputes, gas market studies, energy market reform, delivery of LNG training and has written articles for publications covering global gas markets.
