

Curriculum Vitae

Mag. Karoline Entacher, Gas Expert, Energie-Control Austria

Karoline Entacher joined E-Control, the Austrian Energy Regulatory Authority, in 2013. After completion of her master's degree in international business administration at the University of Vienna and Universidad Carlos III in Madrid, she worked for the Austrian Federal Economic Chamber in Brussels. At E-Control, Ms Entacher works in the gas department where her duties involve the coordination of all gas related EU affairs, as well as infrastructure related topics such as the PCI selection and the ROHUAT project.
