

Stephen Birrell, ROPEPCA President, is the appointed representative of Fora Oil and Gas and acts as advisor to several oil and gas independent companies. He is a geoscientist with over 34 years experience in the upstream oil and gas industry. Stephen has been involved with the Romania upstream since 2005 and is aware of the needs and challenges of the Romanian upstream industry. He has previously been involved with the Dutch and French operators' associations and was a member of the Executive Committee for NOGEPa in the Netherlands. And brings this broad experience and knowledge to bear on how ROPEPCA achieves their goals.
