

Emre Erturk

Managing Director at Enerji-IQ

Emre Erturk has more than 25 years of experience in regulation, market assessment, and strategic consulting. In 2001, he joined the newly established Energy Market Regulatory Authority's gas market department (EPDK), where he contributed to initiatives aimed at liberalizing Turkiye's natural gas market until 2005.

From 2005 to 2012, Ertürk served as a board member and editorial director at Enerji Publishing Group, which produces some of Turkiye's leading industry publications. During this period, he authored more than 400 articles on energy markets, regulatory frameworks, and policies, and conducted numerous exclusive interviews and reports.

In 2012, Erturk founded Istanbul-based Enerji-IQ Information Services, a specialized news and market intelligence platform focused on the energy markets of Turkiye and neighboring countries, which he continues to lead today. Through this platform, he also provides strategic consulting services.

Emre Erturk is an alumnus of the U.S. Department of State's International Visitor Leadership Program (IVLP) and participated in the U.S. Energy Policy – Security, Independence, and Innovation Program.
