

Mike Fulwood is Director, Global Gas & LNG in Nexant's Global Gas practice. Mike has over 35 years of experience in the gas industry. Before working as consultant, Mike was a Director at British Gas Transco, and prior to that President of British Gas Americas during which time he oversaw many successful acquisitions and projects including the acquisitions of Metrogas (Argentina), NGC (now Dynegy), the Bolivia – Brazil pipeline and Trinidad LNG project.

Since working as a consultant Mike has undertaken a wide range of projects in all areas of the gas chain, covering regulatory matters, gas pricing and tariffs, gas sales and transportation contracts, market studies and price forecasting, as well as helping develop Nexant's **World Gas Model**. Mike is currently Chairman of the International Gas Union's Gas Pricing Group, which undertakes the Wholesale Gas Price Survey. He also speaks widely at gas conferences all over the world, particularly on gas markets, gas trading matters and gas pricing.
