Konstantin Sirlishtov
CMS Bulgaria

Rachel Bennett
ERM

Mihai-Codrut Staicu
RNA

Chris Hawkes
IOGP

William Noble
Bureau Veritas

Richard Nott
Lloyd's Register

Marta Januszewska
Oil Spill Response

Agenda

08:00 - 08:55 Welcome Coffee and Registration

08:55 - 09:00 Seminar's Introduction by **Valentin Kunev**, Manager, BBSPA

Session 1: Session's Chairman - **Valentin Kunev**, Manager BBSPA

09:00 - 09:30 **Constantin Gheorghe**, Chief HSEQ Officer/ Company DPA, Grup Servicii Petroliere SA

Key-note Speech: "The Strategy for an Efficient Emergency Response in the Black Sea"

- Are we prepared to respond to a big accident offshore?
- Do we have the means and the expertise capable to contain the consequences of an accident?
- Do we have a strategy? Are our local authorities prepared to respond?
- What is the actual situation regarding the emergency response offshore in Romania and what are the potential directions aimed to create a well-coordinated and efficient response in an emergency situation offshore

09:30 - 10:00 **Dr Jörg Köhli**, Team Leader: Safety of Offshore Oil and Gas Operations, EC DG Energy
"Directive 2013/30/EU on Safety of Offshore Oil and Gas Operations"

- Conditions for granting and using authorisations for the production of hydrocarbons (Directive 94/22/EC)
- Key aspects of the Offshore Safety Directive: the Competent Authority, emergency planning and cross-border co-operation
- Reporting of offshore accidents to the Competent Authority, the public and the European Commission

10:00 - 10:30 **Rob Steer**, Risk and Safety Team, ERM

"EU Offshore Safety Directive : Background, Key Requirements and the UK North Sea Transposition Experience"

- Summary and overview of the Directive
- Key requirements and obligations
- Sharing knowledge, insights and recent themes from implementation of the Directive within the UK Safety Case/Regulatory Regime

10:30 - 11:00 **Konstantin Sirlishtov**, Partner, CMS Bulgaria

"The Implementation of the OSD in Bulgaria – challenges and the next steps"

- The history of the implementation of the OSD in Bulgaria
- The OS Ordinance of December 2016 – pros and cons
- The likely next steps for the effective implementation

11:00 - 11:30 **Rachel Bennett**, Principal Consultant, ERM

"Human Risk Factors and Culture of Safety"

- Safety culture - what it means in pragmatic, practical terms and how it drives performance in complex organisations
- Some approaches and models that support better understanding of Human Risk Factors and Safety Culture
- The performance influencing factors (i.e. those that we can see e.g. shift patterns; and those we can't see e.g. beliefs about management priorities) in an organisation that affect safety performance, wider business performance and business efficiencies

11:30 - 12:00 Coffee Break

Session 2: Session's Chairman - **Valentin Kunev**, Manager BBSPA

12:00 - 12:30 **Capt. Mihai-Codrut Staicu**, Director of Maritime Co-ordination Center, Romanian Naval Authority

"Interaction between Offshore Operators and Romanian Naval Authority, Based on National and International Legal Requirements"

- Romanian Naval Authority (RNA) – legal premises for interaction with offshore companies
- Interaction between RNA and offshore companies from Romania
- Case study/ example for cooperation between RNA and Grup Servicii Petroliere (GSP)

12:30 - 13:00 **Chris Hawkes**, Safety Director, IOGP

"International Cooperation and Best Practices for Risk Reduction"

- About IOGP and how we help the Industry reduce risk and manage safety
- Some success stories on what we have achieved as an Industry
- Future programs such as cost reduction and risk mitigation through standardisation

13:00 - 13:30 **William Noble**, Verification Technical Authority, Bureau Veritas UK

"The Role and Function of the Verifier"/"Implementation of Verification under Directive 2013/30/EU"

- Verification - The need for legislation to exist
- Verification - The five step process to Holistic Verification
- Verification - The benefits and how Bureau Veritas can help your organisation

13:30 - 14:00 **Richard Nott**, Head of Offshore and Global Projects, Lloyd's Register

"Cost-Conscious Compliance – Maximising Value from Regulatory Compliance in a Cost-Challenged Environment"

- In today's difficulty commercial environment for oil and gas, all elements of cost must contribute real value
- The cost of achieving regulatory compliance is no different – although frequently can go unchallenged
- How effective schemes aimed at demonstrating compliance can be implemented in ways which minimise cost and maximise value, taking full advantage of the opportunities inherent in goal-setting approaches such as EU Directive 2013/30/EU and integrating with an operators existing integrity and safety management systems

14:00 - 14:30 **Marta Januszewska**, Regional Representative Europe and Caspian, Oil Spill Response Limited

"Tiered Preparedness and Response and Contingency Planning"

- Overview of a new tiered preparedness and response concept
- Preparing for oil spill response
- How to implement tiered preparedness and response into contingency planning for oil spills

14:30 - 15:30 Networking Lunch

15:30 - 17:30 Visit to the GSP Training Center
