

Capt. Miroslav Mirev

Oil-Spill Response Coordinator

Cosmos Shipping AD, Varna

M: +359 888 390404

E: miroslav@cltd.eu

Mr. Miroslav Mirev possessed Master's degree in Navigation, graduated with honors from the "Nikola Vaptsarov" Naval Academy in Varna.

Following a seagoing career with Ahrenkiel Shipmanagement GmbH & Co, Germany, Miroslav started in 2006 as a Marine & Cargo Surveyor for Lloyd's Agency in Varna.

In 2011, he joined the Noble Denton Marine Assurance and Advisory DNV GL – Oil & Gas, London & Aberdeen as a Marine Warranty Surveyor (MWS) and Consultant. In this capacity, he took key role in the offshore campaigns during the development of many subsea projects, having the opportunity to build professional experience, industry knowledge and know-how throughout the marine operation activities with the global industry leaders.

*Highlights of his MWS experience include attending LUKOIL **V.FILANOVSKY** OIL FIELD DEVELOPMENT in Caspian Sea, **NORTH STREAM** Bovanenko – Uhta GAS PIPELINE in Baydara Bay, TULLOW **T.E.N.** PROJECT in Ghana, TOTAL **Girri** PROJECT in Angola, CHEVRON **GORGON** PROJECT in Australia, BG GROUP **EVEREST EAST EXPANSION** PROJECT in North Sea, TWB **BORKUM WEST II** OFFSHORE WIND FARM in North Sea, etc.*

*Since January 2017, Miroslav is in charge of the **oil-recovery ship m/t Galaxy Eco**, as an **Oil-Spill Response Coordinator** and deputy DPA for Cosmos Shipping-AD, under the **EMSA** Pollution Response Services Program in Black Sea.*
