Denitsa Dudevska

Associate | Energy, Projects and Construction

Denitsa Dudevska is an Associate in the CMS Sofia Energy, Projects and Construction team.

Denitsa is a qualified lawyer with experience in oil and gas sector advising some of the major international companies doing such activities in Bulgaria. As a member of the core energy team, she has assisted on the largest offshore upstream oil & gas exploration investments and concessions projects in Bulgaria.

Her work includes assisting clients during: license tender procedures; negotiations with the governmental authorities; ongoing legal support during prospecting and exploration works/concessions; license transfers; concessions extensions; possible disputes arising on concession matters; farm in and farm out procedures, etc.

In addition, Denitsa also advises clients on various regulatory and commercial matters stemming out of the concessions.

Denitsa's experience in the field is broaden by completing a secondment with one of our key corporate and commercial clients Kaolin EAD - the largest producer of industrial minerals in South Eastern Europe, where she acted as the General Legal Counsel of the company for almost an year.
