Ana is the founder of E&A Law Limited, an innovative English law firm which combines energy specialism with expertise in EU, international law and arbitration. She regularly advises states, international institutions and energy companies on EU energy law including, clean energy package, decarbonisation, and the inter-relationship between EU and international law including with respect to Nord Stream 2 and South Stream. Ana also acts as counsel in gas price review, commercial and investment treaty arbitrations and has appeared before the Court of Justice of the EU. She has negotiated concession agreements to construct large energy infrastructure, host government agreements as well as advised on maritime boundary dispute in the East Med and Africa. She was nominated by the EU Commission as a sustainability and trade expert and arbitrator for disputes with third countries in 2022.
