About

Radoslav Mikov is a Partner at Wolf Theiss Bulgaria with more than 23 years of experience in the energy sector, covering a wide range of issues relating to the regulatory framework. His expertise covers power generation, grid connecting, electricity transmission & distribution, non-discriminatory compliance and equal treatment matters, retail supply and commodities trade, licensing and tariffs formation, public procurement, and construction matters in a wide variety of energy projects.

Over the years, Radoslav has gained extensive experience in natural gas infrastructure projects, advising on the development, realisation and operations of the largest cross-border interconnectors and transmission pipelines in SEE.

Radoslav has been involved in the decision-making processes of some of the largest energy sector stakeholders, operating in Bulgaria. His energy experience includes in-house counsel of Kozloduy NPP and regulatory manager and compliance officer at E.ON Bulgaria.

Radoslav has consistently been ranked as a Leading Individual Law by the Legal 500 and Chambers Europe in Energy.

Law done right.
