

Cagatay Beydoğan

Deputy General Manager, Administrative

Aladdin Middle East Ltd

Cagatay Beydoğan has BSc degree from Middle East Technical University Metallurgy Department. Afterwards he studied at Brunel University, London with a scholarship and received MSc degree at Business Finance.

Cagatay has logistics, regulatory, banking and project finance experience at projects both in Turkey and Middle East. Prior to join AME, he worked at TransAtlantic Petroleum during exploration, development, commercialization, and production stages of crude oil projects in SE Turkey and natural gas projects in Thrace Region. Later on, he joined Viking Services, an international integrated oilfield services company, assuming responsibilities for regional projects covering countries like Turkey, Iraq, Albania, and Oman. Cagatay joined Aladdin Middle East Ltd. in 2019.

Cagatay is elected to the Board of PETFORM as a Director and leads the E&P Group. He is also an Executive Committee Member of METU Alumni Association Energy Commission.
