

Curriculum Vitae

Name Dipl.-Ing. Helmut Wernhart

E-Mail helmut.wernhart@aggm.at

Company

AGGM Austrian Gas Grid Management AG, www.aggm.at
Head of Department System Access and Capacities

AGGM is the market- and distribution area manager for the gas market in Austria.

Professional career

Helmut Wernhart has been working at AGGM Austrian Gas Grid Management AG for around 20 years and has been involved in the development of infrastructure planning. In addition to planning the methane network, he is also working on the development of the hydrogen infrastructure. Recently, CO₂ pipelines have also been designed for Austria.
