

Marko Janicijevic

Manager Market Development

Gas Connect Austria GmbH

Marko Janicijevic is the Manager of Market Development since 2025.

He joined Baumgarten Oberkappel Gasleitungsgesellschaft GmbH in 2010 and has been merged in 2014 together with the company into Gas Connect Austria GmbH. Initially he started as „Sales Manager“ where he was responsible for the Sales and Network Development within GCA, focusing on the merging of the capacity calculation and capacity marketing.

From 2017 until 2025 he was responsible for the network development and strategic mid and long term planning of GCA as well being a key representative within ENTSOE, GIE and PRISMA working groups.

Since 2025 he has taken over the role as „Manager of Market Development“ within the company, where he is responsible for the regulatory, commercial and strategic development activities as well as representation for the Sales Department within GCA.
