## PROFESSIONAL EXPERIENCE

More than 30 years of experience in Oil and Gas Industry.

18 years of working experience at Shell, holding numerous commercial position in the fuel retail, oil wholesale and Gas&Power sectors. During this period, worked 4 years as a regional CEE/CIS marketing and project manager, then between 2004-2008 as a Central and Eastern European Sales Manager. During the period of the Hungarian natural gas market opening, between 2008 and 2012, he held the position **Country Lead Gas & Power Shell Hungary**.

Period of 2012-2019, managed Sales, Regulation and Procurement as Commercial Director of **Magyar Gáz Tranzit** (Gas TSO) and later in **FGSZ**. Credited with the introduction of the 2 TSO model in Hungary, which was created as a result of comprehensive regulatory, commercial and project management.

After that, gained daily operational regulatory experience at the Hungarian Energy and Public Utilities Regulatory Office (**MEKH**).

From 2023, working for **MVM ONEnergy** (former MVM CEEnergy) as Commercial Director of Gas Long Term Supply & Sales, being responsible for Central and Southern Eastern Europe.
